

# Data Dictionary 101

Rob Larson  
CIO  
California Regional MLS

# What is it ??!!??

- A spreadsheet
- Resources, Classes (ish), Fields, Enumerations, Definitions, Type, Length

# What do I do with it?

- Map your fields and see where you are.
- Become compliant
  - RETS Metadata or your Input Forms?
  - Core first.
  - If you do it, and the dictionary does it, do it the dictionary way.

# Genesis

- COVE
- 23 MLSs
- Residential

# Current Status

- V1.3
  - 9 Property Types
  - 8 Resources
  - Core

# Future

- V1.4
- Enumerations
- Pick Lists
- Select Field Options
  
- Rules one day? Got DOM?

# Review
