MLS Data Dictionary Workshop

Kickoff!

Robert Gottesman
Executive Director
RESO

Twitter: @RESO_RETS #PlugFest2014
Let’s Get Started!

• Agenda Review
  – Small breaks as time permits
  – Group & One on One Discussions
    • Please share your specific situation at 2pm
    • We all need to learn by each others concerns

• PlugFest & Reception
  • Merge into PlugFest at 3pm / Reception at 5pm

• Goal
  – Every MLS should walk away with Action Items
Why are we Here?

- Why we need Real Estate Standards
  - Convenience vs. Confusion
- Benefits
  - Promotes efficiency (everywhere)
  - Better Business Inside Real Estate
    - MLS, Vendor, Broker, Agent
  - Better Business Outside Real Estate
    - Social Media, Newspapers, Search engines
RESO - Area of Focus

• RESO Transports
  – RETS 1x Platform
  – RETS Web API
    • New API geared for mobile devices

• RESO Payload
  – Data Dictionary

• Property Unique Identifier

• Certification
Data Dictionary – Status Report

• Many MLS Getting Feet Wet
  – Data Dictionary 1.3 (*on reso.org*)
  – Early Adopters
    • In ‘research’ mode
  – Some In Beta

• Data Dictionary Compliance
  – Focus on ‘Core’ Fields

• Ready to Roll Out!
THANK YOU!

Implementing Data Dictionary

• Recommended Steps
  1. Data Dictionary Starter Kit
  2. Meet with MLS Committees & MLS System Provider
  3. Create Transition Plan
  4. Implement in Test Site
  5. Announce Changes to Members & Vendors
  6. Production

  ... (Repeat - Iterative Process!) ....
Questions?

THANK YOU!
