Our 2014-2015 Strategy

- Deliver Meaningful ‘Standards’
 - Sensitive to Industry Needs
- Promote RESO
 - Adopt & Deploy RESO Standards
 - Encourage Membership
- Improve Infrastructure
- Target .. *“Make RESO Relevant”*

Understanding RESO Speak

- Important Terms of the Day
 - RESO vs. RETS
 - Transport
 - RETS 1x
 - RETS Web API
 - Payload
 - RETS Data Dictionary
 - RETS Certification
 - RETS Property Unique Identifier
 - *(new kid on the block)*

2014 Major Milestones – Done!

- **Data Dictionary**
 - Version 1.3 in Production, 1.4 started
- **Web API**
 - Updated Web API to v1.0.1
 - Updated Security Portion to v1.0.1
 - Added position (vision) to security
- **Research & Development**
 - Working on Organizational Unique Identifier
- **Certification & Compliance**
 - RETS 1.7.2 / 1.8 in Production
 - Data Dictionary ready for Beta Testing
- **Property Unique Identifier**

So What's Next?

- Put Completed Actions into Practice
 - Data Dictionary - Deployment
 - Web API - Deployment
 - Recognize / Award Early Adopters
- Support Certification and Compliance
 - Add Meaning & Credibility to Adoption
- Refresh/Rethink reso.org
 - Who are we serving?, how is it done?

Questions that need to be Asked (today)

- How & When to Evolve?
 - RETS 1x
 - Web API
 - Data Dictionary
- 'Plug & Play' – what is it?
- Data Replication vs. Real Time
- Have we addressed Security?
- Can we improve Photo management?
- *Are we missing any? (Research & Development)*

Trulia + RESO Cocktail Reception

Meeting .. Side Notes
