RESO FALL 2019 CONFERENCE SPEAKER CONSENT FORM

I understand that as a RESO Speaker I will have guidelines and expectations for my presentation.

I understand that failure to adhere to these guidelines may result in my session being canceled or not being permitted to speak at future conferences.

Guidelines:

- Presentations must not be product pitches. You may discuss your product and your technologies, but the nature of your session must not be focused on a pitch.
- All speakers will provide a presentation by the deadline if intending to use screens for projection.
 - Presentations will be run from the back of the room by an AV operator. Speaker will have a clicker to transition.
 - Presentations will be provided by the deadline in their final format to the AV operator one week before the presentation. Last minute changes will not be accepted. No presentations will be accepted or changed after September 2, 2019.
 - If a speaker chooses to speak without doing a presentation, you may opt out in the task list.
- All speakers must adhere to the time allotment given.
- The RESO conference, along with all other RESO activities are governed by the RESO Antitrust Policy. If you have questions about this policy, please feel free to reach out to RESO staff or counsel.

*(*Please note you will be asked to sign this form electronically in our speaker platform after you've been selected as a conference speaker.)*
